KING'S KORNER

It's hard to believe that I am at the end of my year as President of our Lions Club. I was somewhat "talked into" the office, but have found it more rewarding and challenging than I imagined. I am very glad that I agreed to do it. It has been a privilege.

As I think back over the last twelve months, and probably 20 or so King's Korner columns, I remain in awe of the efforts that so many of our members have made to make my job easier and the achievements of our club so noteworthy. I thank all of you for your continuing willingness to "serve" in such a faithful manner. The individuals, agencies and organizations we have helped were able to accomplish more, because of our help.

At last week's dinner meeting we gave out a number of awards for our Golden Lions and those members with perfect attendance. In lieu of specific Golden Lion awards, we made a contribution to Honor Flight Philadelphia. We also presented Lion Mark Godshalk with a Pennsylvania Fellows Award and Lion Walt Young with a "Lifetime Member" status through Lions Club International. Congratulations to those two loyal Lions, and to all members who received awards. At next week's Installation Night we will be finishing up our year with a few additional awards.

Installation Night marks the end of my year and the beginning of a second presidency (shades of Grover Cleveland?) term for Lion Bill Lavery. Bill is a very hard worker and has helped me out in many ways this year, and I am grateful to have received his guidance. We will install all of our new officers and also have some musical entertainment. Hoping to see all of you there to wish Bill and the new officers a good start on a great year.

Yours in Lionism,

King Lion Larry
