KING'S KORNER

We are going into the new Lions 2014-2015 year with a lot of optimism. First, I would like to thank and commend our 2013-2014 Past- President, Larry DeMooy, for an excellent job. Larry joined our Club in 2007 and he stepped up "To Serve".

Two days into the year, the 4th of July parade was rescheduled because of weather conditions for the first time. This caused a bit of logistical and scheduling chaos. Many thanks go out to Fred and Betty Huenerfauth and Tom Citro for their efforts including many phone calls in seeing that the event went off without a hitch and with excellent weather. Also, thanks goes out to our many Lions who were able to answer the call and made it out on Saturday to help make the parade and celebration a success. Without those Lions, it could not have happened. The efforts of those that went out to the community to collect and/or deliver programs and envelopes to our residences is greatly appreciated. That is how the event is paid for. All in all, it was a great "Team Effort".

Our next event is our annual BBQ Dinner and Board Meeting on Tuesday, July 15th at my house, 25 S. Hillcrest Road, Springfield. It is a great way to start off the new year and is well attended (Bring your own chair). So come on out; enjoy a steak cooked by our master chefs; have some fun and socialize with your fellow Lions especially if you haven't been out to a meeting in a while. Get active again if you have been laying back. If you haven't been out for a while and plan on coming let Jim Beermann (610-662-6010) or I (610-544-5016) know.

Think positive and good things will happen. We have a lot of good active members. If we all participate and do our jobs, we will continue to be a successful Club. The officers, directors and committee chairman we have are good. We should "think out of the box" from time to time to achieve some of our goals. Let's have some fun and a good year!

See you on the 15th,
King Lion Bill
