KING'S KORNER

My fellow Lions.

For the October 27, 2015 Dinner Meeting we are planning a "show and tell" to prospective member of our community with the overall purpose of enhancing our club membership.

Invitations were sent to prospective members from names and address given to us by your fellow Lions. However, if you did not give us a name and want to bring along a friend whose name has not been given to PP Ed Rocco the chair, please do not hesitate, please and I do mean please bring them along!

Our program will be a slide presentation showing what we have done and many of our club activities, this slide presentation used as part of the orientation program for our club.

Please come and support the team that is trying to enhance our club membership. New hand and new ideas are a plus for our continued overall success in our community.

Please try and sit at tables with our guests, so that you can help with the recruitment process. We need all you support!

This is a service activity of Lions Clubs International Stamp Clubs and was founded in 1942 to assist service men and women in 130 Department of Veterans Affairs facilities located across the USA. Stamps can give bedridden patients, long-term patients and convalescent patients a consuming interest in sorting, mounting stamps or making decorative objects. Any stamp, even ordinary common stamps are needed. Just cut them free of the envelope or package, but leave about ¼ inch of paper around the stamps. There will be a large jar at every meeting starting with the next. The stamps will be sent to Stamps for the Wounded. Lion Diane Harrington is chairing this project.
