KING'S KORNER

My fellow Lions. We are one quarter of the way through our current Lions year and in the process of doing our White Cane Collections. PP Larry DeMooy is in charge of the street collections and could use all our help. Please give him a call at his home 610-565-4869 and find a spot to help us meet our goal. PP Gerald McCabe at 610-543-8481 is running the Golf outing to help support our White Cane Drive and could use some golfers, so give him a call.

We discussed at our recent board of directors meeting our operating budget for the 2015-2016 year and forward. Unfortunately, we are seeing a decline in our revenue stream and are planning on reducing our outflow of funds to help others. We need our membership to step up forward to help us continue to provide the service that we have in the past.

On October 27, I would like to see many of you who have not been able to get to a meeting in a while come on out and visit with us and participate with us as we have planned a program to recruit some potential new members into our club. We could use all Lions to come forward to help support our efforts. Looking forward to seeing you on September 13 and on the 27th.

NEW PROJECT

Stamps for the Wounded

This is a service activity of Lions Clubs International Stamp Clubs and was founded in 1942 to assist service men and women in 130 Department of Veterans Affairs facilities located across the USA. Stamps can give bedridden patients, long-term patients and convalescent patients a consuming interest in sorting, mounting stamps or making decorative objects. Any stamp, even ordinary common stamps are needed. Just cut them free of the envelope or package, but leave about ¼ inch of paper around the stamps. There will be a large jar at every meeting starting with the next. The stamps will be sent to Stamps for the Wounded. Lion Diane Harrington is chairing this project.
