QUEENIE'S QUOTES

On June 3rd, we held our annual Chicken BBQ and many of you came out to help and many came out to enjoy the weather and companionship of Fellow Lions. While it will be a few weeks before we have the official numbers, I am sure with all our hard work we will meet or surpass the budget this year. Thank you to Ed, Lisa & Walt for keeping us on point and to all of you who toiled all day over the hot coals and we cannot forget the wrappers! Many of you were sellers & where would we be without you - Sell, Sell, Sell!

As my year as your president comes to a close, I look back over the last 12 months and reflect on all we have done as a club. Meeting or exceeding many of the fund raising budgets, working together to develop ways to help others- saving used stamps, recycling used pill bottles & computer ink. I am honored to be part of the Springfield Lions Club and to work with you all.

As our new officers prepare to assume their roles, I can only hope that you are willing to help them be successful by participating in our fund raising events and thereby helping our club be successful and continue our mission for 2017-2018 and for many years more.

Yours in service,

Kethy Lawless

CHICKEN BBQ

A big Thank You to all Lions (and non-Lions too!) who participated in the Chicken BBQ fundraiser on June 3rd. From those who served by the grill pit to those in the packaging area, you all brought success!

JULY 4th CELEBRATION

Help is needed for our Independence Day celebration. First, we need your help in collecting donations from residents for the event. The brochures are almost ready. Second, on July 4th there are three areas where your help is needed: First – we need participation in the parade. This is our event and we should have a large presence in the parade. Second – help is needed at the high school to organize the parade. And third – help is needed at Memorial Park. Realizing that these are widely spaced venues and no one can participate in all three, please contact Fred Huenerfauth (610-328-9951) to find out where you can help the most. Thank you!
