## KING'S KORNER

The summer is coming to a close on a number of good notes. Our trip to Beacon Lodge was a big success on a number of levels including taking over 30 folks to and from camp as well as having the pleasure of Mark acting as the master of ceremonies on the trip home. Of all the things we do and support, I believe this is our finest hour. It is about what we do and stand for as a club.

The National Night out was a big success. We gave out over 400 pencils to children as well as having a Lion back pack as a drawing item. The drawing will be at the meeting to the 22nd. I hope to get picture and a article with the winner. We had many folks visit our able and a few folks who asked for applications.

Our annual cook out was full of fun, food and community. I want to thank Jim and his wife for hosting the event at his house.

We were lucky enough to have a really fine article with pictures published in both the local Springfield paper and The Delaware County Daily Times. Peg, the reporter, spent over 2 hours with a group of us and agreed to come to one of our meetings. I received three phone calls from people who have an interest in our club. Please give the article a read.

As the fall approaches and we get back into our usual stride, I hope to be able to keep our momentum moving in a positive direction in terms of membership and visibility.

King Lion Joe

Springfield Independence Day celebration.
