# Lions' Lines

**September 26, 2017**

## KING'S KORNER

We had another fine meeting on the 12th with a visitation from our Governor, Wayne and representatives from Swarthmore, Media and the Northeast. From my observation we all had a great time of fellowship and heard words of encouragement from our Governor. He and our club are the very same page service to others and growth of our club.

In order to serve we need to raise funds. It is essential we see many tickets for our golf outing, collect for white cane and get folks out to eat at the Outback.

I was so proud to hear from Wayne the respect the Lions' community has for our club. This respect was earned by present and past Lions' and must be continued.

When I watch our club members engage in our community; when I listen to our visually impaired members tell us all of us matter, I know why I am a proud Springfield Lion, We Serve.
